Importance: High

Hi Pam,

I want this bill to go away now! Here are 4 amendments that Dick Sweet drafted for us for the exec this morning -- would you please turn them into I.R.B amendments? Thank you very much. This bill is being heard & exec'd this morning -- to rules this afternoon, then on the floor on Wednesday. I don't think any more amendments will come out of the hearing this morning, but they may. I'll let you know when I return. Thank you again!
Sandy

As we have discussed before, this amendment in this form neglects to account for insureds who bypass the internal grievance procedure. Presumably, then, the only notice about the independent review procedure for an insured who bypasses the internal grievance procedure is any notice contained in the policy, which the statute does not require.
