Subject: Ab876 amendments

Please draft the following amendments for AB 876:

1. Delete all provisions relating to requiring the state to provide a defined contribution plan. I think this effects Sections 9 and 10 of the bill.
2. Page 17, line 14 through 15, replace "a region of the state that includes Winnebago County" with "at least one region of the state that includes a county with a population of at least 100,000"
