Subject: drafting instructions for AB876

Importance: High

Pam,
There are drafting instructions contained in the word document attached as well the language below.
Please draft this in the easiest possible way for you. I don't care if it is one amendment or many.
Thank you.

ALSIY

IER language:

2. The insurer includes on its explanation of benefits form a statement that the insured may have a right to an independent review after the internal grievance process and that an insured may be entitled to expedited independent review with respect to an urgent matter. the statement shall also include a reference to the section of the policy or certificate that contains the description of the independent review procedure as required by subd. 1. The statement shall provide a toll-free phone number and website, if appropriate, where consumers may obtain additional information regarding internal grievance and independent review processes.
3. The insurer, for any adverse determination or experimental treatment determination for which an explanation of benefits is not provided to the insured, provides a notice that the insured may have a right to an independent review after the internal grievance process and that an insured may be entitled to expedited independent review with respect to an urgent matter. The notice shall also include a reference to the section of the policy or certificate that contains the description of the independent review procedure as required by subd. 1. The notice shall provide a toll-free phone number and website, if appropriate, where consumers may obtain additional information regarding internal grievance and independent review processes.

Pam,
The IER language below -- please ALSO draft it as an amendment to AB 870. We are trying to put it in the OCI technical bill. Please let me know if you have questions.
Thanks,
Sandy

Note

1. It would have been preferable just to get rid of s. 632.835 (2)(b) and substitute these new notice requirements, since the notice requirements, since the ~~the~~ notice requirement under s. 632.835 (2)(b) ~~is~~ made irrelevant by ~~the new requirements~~ by all of these alternate requirements. all of these alternate requirements,
