Subject: AB 876 am.

Rick,

Mark Miller would like to request an amendment to AB 876 that would state that the defined contribution plan wouldn't be considered in determining the lowest cost plan for purposes of the state's contribution. I assume that you would amend s. 40.05(4)(ag)2. to add "and excluding any premium cost related to the defined contribution plan required to be offered under s. 40.51(6)(b)" after the current exclusion for point-of-service plans.

Thanks for your help.
