

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4192/2dn
DAK:kmg:jf

February 20, 2002

Representative Richards:

Please review this draft carefully, especially s. 146.89 (3m). Is it appropriate to require a health care provider who is a physician to provide proof of first aid instruction?

Please let me know if I can provide you with further assistance with regard to this bill.
