LEHMAN, TURNER, MILLER, TOWNSEND, HUEBSCH, PLOUFF, OLSEN, ALBERS, HUNDERTMARK, PLALE, STONE and LASSA, cosponsored by Senators HANSEN, SCHULTZ and BAUMGART. Referred to Committee on Small Business and Consumer Affairs.

1 **AN ACT to amend** 165.25 (4) (ar) and 814.04 (intro.); and **to create** 100.195,
2 100.197 and 100.198 of the statutes; **relating to:** the prohibition of certain
3 billing practices for consumer goods or services, lawn care service contracts,
4 granting rule-making authority, and providing penalties.

Analysis by the Legislative Reference Bureau

This bill prohibits certain consumer billing practices by sellers and lessors. The prohibited practices are:

1. Billing a person for consumer goods or services that the consumer has not agreed to purchase or lease.
2. Billing a consumer for consumer goods or services at a price that is higher than the price previously agreed upon, unless the consumer agrees to the higher price or is given the opportunity to cancel without penalty.
3. Billing a consumer for consumer goods under an agreement that is no longer in effect.
4. Offering a consumer free or reduced-price goods or services that commit the consumer to pay for other consumer goods or services, unless the seller discloses the commitment with every advertisement of the free or reduced-price goods or services.
5. Misrepresenting to a consumer that the consumer's failure to reject a delivery of consumer goods or services obligates the consumer to pay for the goods or services.

ASSEMBLY BILL 894

The bill defines consumer goods and services to exclude various goods and services that include cable and satellite television and other telecommunications services and health care.

The bill requires that the department of agriculture, trade and consumer protection (DATCP) promulgate rules for the regulation of sale plans under which consumer goods or services are delivered before the consumer agrees to purchase or lease the goods or services. The bill requires that the secretary of DATCP appoint an advisory committee to make recommendations for these rules.

The bill specifically regulates lawn care service contracts. Lawn care services under the bill consist of mowing services, trimming services, and the application of fertilizer, pesticides, or other additives. Under the bill, a contract for lawn care services may not be in effect for more than one year unless, in the subsequent years, the person selling the lawn care services makes a written disclosure to the consumer as to the type of services provided, the price and frequency of those services, and the right of the consumer to cancel the contract. The consumer has the right to cancel the contract at no cost to the consumer if the consumer does so within 30 days after receiving the written disclosure.

The bill authorizes DATCP to bring an action to enjoin persons from violating these laws governing billing practices and lawn care services contracts. Persons who violate these laws are also subject to civil forfeitures and criminal penalties. In addition, the bill does not preclude these violations from being prosecuted as unfair methods of competition, unfair trade practices, or fraudulent representations under existing laws. The bill allows an individual to bring a civil action for violation of these laws.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
