MEMORANDUM

To: LRB Attorney Peter J. Dykman
From: Representative John Ainsworth
Date: January 24, 2001
Re: Amendment Request

I would like to request an amendment to 2001 Assembly Joint Resolution 1, relating to the right of individuals to fish, hunt, trap, and take game (first consideration).

AJR 1, as drafted, articulates the right of individuals to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law. I would like to extend these "rights" to include the operation of personal watercraft, operation of all-terrain vehicles, the operation of snowmobiles, and the operation of off-road motorcycles.

If you have any questions regarding this request, please do not hesitate to contact Kristina Boardman in my office. Thank you in advance for your attention to this drafting request.

1 **To create** section 26 of article I of the constitution; **relating to:** the right of
2 individuals to fish, hunt, trap, and take game (first consideration).

Analysis by the Legislative Reference Bureau

This proposed constitutional amendment, proposed to the 2001 legislature on first consideration, provides that individuals have the right to fish, hunt, trap, and take game subject only to reasonable restrictions as prescribed by law.

A constitutional amendment requires adoption by 2 successive legislatures, and ratification by the people, before it can become effective.

Resolved by the assembly, the senate concurring, That:

4 **SECTION 1.** Section 26 of article I of the constitution is created to read:

5 [Article I] Section 26. Individuals have the right to fish, hunt, trap, and take
6 game subject only to reasonable restrictions as prescribed by law.

7 **SECTION 2. Numbering of new provision.** The new section 26 of article I of
8 the constitution created in this joint resolution shall be designated by the next higher
9 open whole section number in that article if, before the ratification by the people of
10 the amendment proposed in this joint resolution, any other ratified amendment has

1 created a section 26 of article I of the constitution of this state. If one or more joint
2 resolutions create a section 26 of article I simultaneously with the ratification by the
3 people of the amendment proposed in this joint resolution, the sections created shall
4 be numbered and placed in a sequence so that the sections created by the joint
5 resolution having the lowest enrolled joint resolution number have the numbers
6 designated in that joint resolution and the sections created by the other joint
7 resolutions have numbers that are in the same ascending order as are the numbers
8 of the enrolled joint resolutions creating the sections.

9 ***Be it further resolved, That*** this proposed amendment be referred to the
10 legislature to be chosen at the next general election and that it be published for 3
11 months previous to the time of holding such election.
