

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1326/1dn
PJD:kmg:ch

December 12, 2000

I changed "bill" to "proposal" so that your proposal applies to both bills and resolutions. Do you want to include in the next draft some of the other changes regarding conference committees proposed by others last session, such as mandatory minority party membership or meetings of conference committees.
