

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0179/1dn
PJD:kmg:rs

February 9, 2001

This technical amendment cleans up an ambiguity in 2001 SJR-24 regarding the clerks of circuit court. This draft requires one clerk of circuit court for each *circuit*, which is current practice. Choose either LRBa0178/1 **OR** this amendment but not both.
