Referred to Committee on Judiciary.

1 **To amend** sections 9 and 10 (1) of article VII of the constitution; **relating to:** senate  
2 confirmation of justices appointed by the governor (first consideration).

---

***Analysis by the Legislative Reference Bureau***

This proposed constitutional amendment, proposed to the 2001 legislature on first consideration, provides that a vacancy in the office of justice of the supreme court shall be filled by nomination and, with the advice and consent of the senate, appointment by the governor, which shall continue until a successor is elected and qualified. Presently, an appointment to a vacancy in the office of justice is not subject to senate confirmation.

Presently, justices and judges may not hold any other office of public trust, except a judicial office, during the term for which elected. This joint resolution applies that prohibition also to a term for which appointed.

A proposed constitutional amendment requires adoption by 2 successive legislatures, and ratification by the people, before it can become effective.
