Just e-mail it to me in a form I can cut and paste it into a Text 2000 document (rtf i.e. Word or just typed into the text of the e-mail) and tell me if it is a joint resolution or an assembly resolution. That's all that is needed. You don't need to worry about the form, just the whereas clauses.

Subject: Question on joint resolution

Hi Peter,

This is Cari in Rep. Olsen's office again. I just got another request from our constituent who had us draft the month of May resolution (LRB-2528) Can we still make another change??

If yes this is what they want it to say:

Would it be possible to include the following phrase- inserted on line 10 following the word "transportation":
"training and on-site technical assistance to rural communities with water or wastewater problems,"

I'm sorry to keep bothering you with changes, hopefully this will be the last one. Let me know if this change can still be made.

THANK YOU

Cari
