Subject: revisions to LRB 4677/1

Hi Peter:

The folks at Harley Davidson requested a few minor revisions to the Joint Resolution you drafted for us.

- 1) line 11: replace the words "much more pivotal" with the word "helpful"
- 2) line 12: delete the words "and even created a new drink related to biking" (they are a little squimish about relating Harley to an achoholic beverage)
- 3) line 14: replace the words "put up" with the word "generated"

I hope you don't mind the "suits" at Harley fiddling with your masterpiece. Please don't take it personally.
