1 **Relating to:** recognizing and thanking all who served as members of the
2 Minnesota–Wisconsin Boundary Area Commission for their hard work and
3 dedication.
4 Whereas, the Minnesota–Wisconsin Boundary Area Commission was created
5 in 1965 and continued until 2001; and
6 Whereas, the commission served to protect the public’s interest in the lands,
7 river valleys, and waters that form the boundary between our states; and
8 Whereas, protecting these scenic and historic treasures has been a challenging
9 and honorable objective in spite of the many challenges; and
10 Whereas, the commission nurtured economic development as well as
11 preserving the environment; and
12 Whereas, education about the resources of the valley and management options
13 has been an accomplishment that will benefit the Mississippi Valley area for many
14 years to come; and
