2001 ASSEMBLY RESOLUTION

1 **To create** assembly rule 22; **relating to:** committees of conference.

Analysis by the Legislative Reference Bureau

Assembly Rule 22: This rule is created to:

1. Require a committee of conference to meet on the call of either cochairperson;
2. Provide that a committee of conference shall be a "closed conference" by limiting the authority of a committee of conference to reconciling the differences in the positions of the senate, assembly, and joint committee on finance. However, a committee of conference is permitted to consider any other issue that the governor finds to be an emergency issue if: a) either the presiding officers of both houses or both chairpersons of the joint committee on finance concur in the finding; or b) a majority of the members of the committee from each house vote, before the committee votes to recommend the report, to include the issue in the report.
3. Provide that a report of a committee of conference may not be amended and may not be divided and that the assembly may not consider a report if it contains an agreement that recommends the adoption of and concurrence in any issue not authorized.

2 **Resolved by the assembly, That:**

3 SECTION 1. Assembly rule 22 is created to read:

②
L 23M

1 **ASSEMBLY RULE 22. Committees of conference.** (1) At least one member of
2 the assembly appointed to a conference committee shall be a member of the minority
3 party.

4 (2) If the conference committee, or a successor conference committee, is unable
5 to agree within 30 days after the appointment of the committee, another conference
6 committee consisting of members who have not served on the conference committee
7 or a successor conference committee shall be appointed by the speaker within 5 days
8 and may proceed to further consideration of the proposal.

9 (3) A committee of conference shall meet on the call of either cochairperson.

10 (4) (a) Except as otherwise provided in par. (b), a committee of conference shall
11 be a “closed conference,” with the authority of the members of the committee limited
12 to reconciling the differences in the positions of the 2 houses as reflected by the
13 proposal, as engrossed by the first house, and the proposal, as concurred in and
14 amended by the 2nd house, or as amended and nonconcurred in by the 2nd house,
15 with any position of the joint committee on finance, as reflected by an amendment
16 or substitute amendment to the proposal offered by the joint committee on finance.

17 (b) A committee of conference may consider and may recommend the approval
18 of and concurrence in any issue not authorized under par. (a) if the governor submits
19 to the committee of conference a written finding that an emergency requires the
20 inclusion of the issue in the report of the committee and:

21 1. Either the presiding officers of both houses or both cochairpersons of the joint
22 committee on finance submit to the committee a written concurrence with the
23 finding; or

24 2. A majority of the members of the committee from each house vote, before the
25 committee votes to recommend the report, to include the issue in the report.
