(based on 1999 Assembly Resolution 20)

Relating to: memorializing Congress to enact the Internet Tax Nondiscrimination Act of 2001.

Whereas, the emergence of the Internet as a means of communication has profoundly influenced our society and will pave the way for the global marketplace; and

Whereas, Wisconsin is one of only eight states that impose a sales tax on Internet access thereby putting Wisconsin companies that conduct business over the Internet at a competitive disadvantage; and

Whereas, the Wisconsin State Legislature has previously voted to repeal the state’s sales tax on Internet access thus demonstrating its commitment to making sure that Wisconsin is on the leading edge of this new technology and providing incentives for even more access and creative use of the Internet; and

Whereas, H.R. 1552, which is entitled, the Internet Tax Nondiscrimination Act of 2001, has been introduced in the United States House of Representatives and subsequently approved by the House Subcommittee on Commercial and Administrative Law; and

Whereas, the Internet Tax Nondiscrimination Act would extend the moratorium on ~~taxation of Internet access~~ through 2006 and repeal the authority of states to impose taxes on Internet access; now, therefore, be it

Resolved by the assembly, That the Assembly of the state of Wisconsin urges the President and Congress to enact the Internet Tax Nondiscrimination Act of 2001; and, be it further
