

**ASSEMBLY AMENDMENT 1,
TO 2001 ASSEMBLY RESOLUTION 56**

March 7, 2002 – Offered by Representatives SHILLING, KRUG and PLOUFFE.

1 At the locations indicated, amend the resolution as follows:

2 **1.** Page 1, line 1: on lines 1 and 2, delete “modernization of lock and dam
3 infrastructure” and substitute “maintaining and rehabilitating waterways and
4 aquatic ecosystems”.

5 **2.** Page 2, line 17: on lines 17 and 18, delete “is the most environmentally
6 friendly form of transporting goods and commodities, creating” and substitute
7 “creates”.

8 **3.** Page 3, line 3: after that line insert:

9 “Whereas, our waterway transportation infrastructure shares the public
10 waters with the natural environment; and

11 Whereas, the natural environment provides public benefits such as recreation,
12 tourism, domestic and industrial water supply, and scientific and educational
13 opportunities that also are important elements to Wisconsin’s economy; and
