COULD YOU ALSO PREPARE A VERSION OF 5085 WITHOUT THE "CLOSED CONFERENCE" RESOLUTION SO THAT I CAN SHOW BOTH TO SCOTT?

Here is what I am sending into editing. It uses the relating clause from the bill: rather than the substitute amendment.

Relating to: creating a committee of conference on January 2002 Special Session Assembly Bill 1, constituting the governor's recommendations for correcting the imbalance between projected revenues and authorized expenditures.

Resolved by the assembly, the senate concurring, That, upon the adoption of this joint resolution by the assembly and concurrence therein by the senate, there is created a committee of conference on January 2002 Special Session Assembly Bill 1, constituting the governor's recommendations for correcting the imbalance between projected revenues and authorized expenditures, to reconcile the differences between the 2 houses, and to present its report on the bill to the 2 houses; and, be it further

Resolved, That, notwithstanding joint rule 3 (1) (intro.), the committee of conference shall consist of 3 members of the majority party and one member of the minority party from each house; and, be it further

Resolved, That:

(1) The committee of conference shall be a "closed conference," with the authority of the members of the committee limited to reconciling the differences in the positions of the 2 houses as reflected by the proposal as engrossed by the first house and the proposal as concurred in and amended by the 2nd house.

(2) Neither house may consider a report if it contains an agreement that recommends the approval of an concurrence in any issue not authorized under sub. (1).

(End)

Peter,
The phrase "and diverse other matters" also appears in lines 3-4; please delete here as well.
