Currently, the joint committee on finance (JCF) must transfer annually on June 15, beginning in 2004, to the tobacco control fund from the permanent endowment fund the lesser of \$25,000,000 or 8.5% of the market value of the investments in the permanent endowment fund on June 1 in that year.

This bill creates a sum sufficient appropriation of general purpose revenues to be transferred to the tobacco control fund annually on June 15, beginning in 2004, that is equal to \$25,000,000, less the amount transferred to the tobacco control fund by JCF from the permanent endowment fund in that year.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
