Senator Darling
Senator Burke

DEPARTMENT OF NATURAL RESOURCES

Wisconsin Humane Society Rehabilitation Center

Motion:

Move to require DNR to provide \$500,000 from the Warren Knowles-Gaylord Nelson Stewardship 2000 program to the Wisconsin Humane Society in Milwaukee for the development of an outdoor wildlife rehabilitation center. Specify that funds may be provided from either the land acquisition or the property development and local assistance subprogram.

Note:

Under current law, \$46 million in general obligation bonding authority is available in 2001-02 under the Warren Knowles-Gaylord Nelson Stewardship 2000 program. Under the stewardship biennial spending plan approved by the Natural Resources Board, \$7.25 million of the \$34.5 million for general land acquisition would be earmarked for grants to non-profit conservation organizations, leaving \$19 million available for DNR land acquisition (after \$8.3 million is set aside to account for the \$25 million Great Addition purchase in 1999). Of the 11.5 million available for property development and local assistance, \$4.5 million would be allocated for property development, and \$7 million for local assistance grants. In 2002-03, \$60 million in general obligation bonding authority will be available.

The wildlife rehabilitation center represents a portion of a larger relocation and expansion plan for the Wisconsin Humane Society of Milwaukee (estimated at \$8.5 million). The remaining \$8 million in estimated project costs for building expansion and relocation would be funded through private donations. The \$500,000 would be used to develop a suitable site for wildlife rehabilitation purposes.

NR 51.002(19)

(19) "Nature-based outdoor recreation", under s. 23.0917 (4), Stats., means activities where the primary focus or purpose is the appreciation or enjoyment of nature. These activities may include but are not limited to hiking, bicycling, wildlife or nature observation, camping, nature study, fishing, hunting, picnicking, cross-country skiing, canoeing and multi-use trail activities. Support facilities for these activities may include but are not limited to access roads, parking areas, utility and sanitation systems, sanitary and shelter building, signs, interpretive items, and other features that enhance nature-based outdoor recreation or improved disabled accessibility. Ineligible activities include but are not limited to sports that require extensively developed open space such as dedicated sports fields, swimming pools and tennis courts.

King

It is possible that a Wisconsin court would find this legislation to be a "private or local bill" which, under Article IV, section 18, of the Wisconsin constitution, must be enacted as single-subject legislation. If this legislation is a "private or local bill", it cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. In light of this, the committee may wish to consider introduction of this legislation as a separate bill.
