ELECTIONS BOARD

Chief Inspector Certification and Training

Motion:

Move to: (a) delay the implementation of the statutory provisions regarding the training and certification of chief inspectors provided for in Act 16, from September 1, 2002, to September 1, 2004; and (b) transfer \$38,400 GPR in 2001-02 from the Elections Board's training of chief inspector's appropriation to the Board's general program operations appropriation.

Note:

Under 2001 Act 16, a chief inspector training and certification program was created which requires that all polling places have a certified chief inspector for all elections as of September 1, 2002. Act 16 provided \$45,000 GPR in 2001-02 for the training of chief inspectors in a newly created biennial training of chief inspectors appropriation.

Under the new program, the Elections Board is required to: (a) prescribe, by rule, requirements for certification of individuals to serve as chief inspectors; (b) upon application, to issue certificates with expiration dates to qualified individuals who meet the requirements to be certified as chief inspectors; (c) require each individual issued a chief inspector certificate to meet requirements to maintain that certification; (d) renew the certificate of any individual who requests renewal and meets the requirements established by the Board; (e) conduct regular training and administer examinations to ensure that individuals who are certified by the Board as chief inspectors are knowledgeable concerning their authority and responsibilities; and (f) pay all costs required to conduct the chief inspector training and to administer the examinations. Under current law, no person may serve as chief inspector at any election who is not certified by the Board at the time of any election held on or after September 1, 2002. The motion would delay the implementation of the statutory provisions regarding the training and certification of chief inspectors until September 1, 2004, and would transfer \$38,400 GPR in 2001-02 from the Board's chief inspector appropriation to its general program operations appropriation.
