WORKFORCE DEVELOPMENT

Early Childhood Excellence Initiative

Senator Moore  
2nd by Burke  
10-5 - approved  
No - Gard, Kaufert, D#  
Ward, Huebsch  
Not voting - Rhodes

Motion:

Move to require the Department of Workforce Development (DWD) to conduct a deobligation and reobligation process for contracts awarded under the early childhood excellence initiative that will expire on June 30, 2002. In addition, specify that \$2,500,000 allocated for the early childhood excellence initiative in 2002-03 must be allocated to early childhood excellence centers and not for grants to child care providers that have received training from early childhood excellence centers.

Note:

The early childhood excellence initiative was created in the 1999-01 biennial budget and required DWD to develop at least five early childhood centers for children who are eligible for assistance under the TANF program. The initiative also required DWD to establish a grant program for child care providers that received training from early childhood excellence centers in order to create additional early childhood excellence centers. A total of \$15 million was available to be distributed through December, 2001. Of the \$15 million allocation, a total of \$10.2 million had been spent as of November, 30, 2001. Because not all funds had been spent by December, 2001, and no new funding was available in fiscal year 2001-02, DWD extended the contracts through June, 2002.

When DWD extended the early childhood excellence contracts, it did not deobligate funds from underspending agencies and place them in agencies whose funds had been exhausted or nearly exhausted. The motion would require DWD to conduct a deobligation and reobligation process in order to allow all agencies to continue providing services through June 30, 2002.

For 2002-03, a total of \$2.75 million is allocated for the early childhood excellence initiative, Act 16 designated \$250,000 of these funds to La Causa, Inc., in Milwaukee. The motion would specify that the remaining \$2.5 million be used only for early childhood excellence centers and not for grants to child care providers that have received training from early childhood excellence centers.

Gordon,

I would like to delete the following language on page 1, lines 9 & 10: ", so that all grant recipients are able to continue providing services to June 30, 2002." Although that is the intent of the motion, there may not be sufficient funds unexpended by the time the budget bill passes to accomplish this goal.

Thanks,  
Victoria
