FE Sent For:

<END>

and municipality's payment in November, 2002, to be made from the permanent endowment fund as follows:

(available endowment funds, as determined by DOA) ÷ \$826,068,930

7. Reduce individual appropriations in 2002-03 as follows to reflect the estimated impact of the use of \$594,000,000 in permanent endowment funds in that year:

Small municipalities shared revenue	-\$6,790,500
Shared revenue account	-574,391,600
County mandate relief	<u>-12,817,900</u>
<b>TOTAL</b>	<b>-\$594,000,000</b>

8. Maintain current law regarding Milwaukee County's contribution for child welfare services, which includes a deduction of \$20,101,300 annually from shared revenue payments.

**B. County and Municipal Operating Levy Limit.** Modify the Governor's recommendation as follows:

METS  
1. Change the definition of "inflation" to mean a percentage equal to the average, annual percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, as determined by the U.S. Department of Labor, for the 12 months ending on September 30 of the year of the levy. Modify the date by which DOR would notify political subdivisions from August 15 to November 1. [This is the same measure used for the expenditure restraint program.]

2. Replace the municipal adjustment to the inflation measure based on population with an adjustment set at a percentage equal to 60% of the percentage change in the jurisdiction's equalized value due to new construction, less improvements removed, between the year before the year of the levy and the previous year, but not less than 0% nor greater than 2%. [This is the same measure used for the expenditure restraint program.]

3. Authorize an adjustment to the allowable increase calculated for each county and municipality equal to 50% of the difference between the prior year's allowable and adopted levy.

RAE  
**C. Debt Service Payment from the Permanent Endowment Fund.** Delete the Governor's recommendations that would authorize the payment of debt service from the permanent endowment fund, which is estimated at \$200,000,000. Instead, increase the Act 16 transfer from the permanent endowment fund to the general fund in 2001-02 by \$200,000,000, from \$450,000,000 to \$650,000,000.

PK  
**D. Wisconsin Technical College System.** Delete the proposed educational assistance for dislocated workers program and the related funding of \$4,200,000 GPR in 2002-03. Increase funding for WTCS general aid by \$5,328,700 GPR in 2002-03, which would restore the funding reduction proposed by the Governor. Delete the proposed mill rate and levy limit changes in the bill,

but retain the current levy rate limit of 1.5 mills on the levy for all purposes except debt service. Delete the proposed 10% limit on increases in program fees charged students in 2002-03.

**E. Wage Claim Liens.** Modify the state wage payment and collection law to delete the requirement that a lien of a financial institution that originates before a wage claim lien takes effect takes precedence over the wage claim lien. Require that the change in precedence applies retroactively beginning with wage claim liens filed after February 1, 1998.

**F. Earned Income Tax Credit.** Utilize TANF funding for the eligible portion of the projected increase in the cost of the EITC in 2002-03 by: (a) providing \$2,960,000 in additional TANF funds in 2002-03; and (b) reducing estimated expenditures from the GPR sum sufficient EITC appropriation by \$2,960,000 in that year. [The TANF funds would be budgeted as FED in DWD and also as PR-S under Shared Revenue and Tax Relief.]

**G. Sales Factor of Apportionment Formula.** Starting with tax years beginning on or after January 1, 2004, increase the sales factor to represent 55% of the apportionment formula used under the state income and franchise tax to apportion the income of corporations (including insurance companies, financial institutions, and gas, electric and telecommunications utilities), nonresidential individuals, and estate and trusts. Decrease the payroll and property factors to each represent 22.5% of the apportionment formula. [There would be no fiscal effect in the current biennium. However, it is estimated that state income and franchise tax revenues would be reduced by \$4.0 million in 2003-04 and \$8.8 million annually thereafter.]

**H. State References to Federal Depreciation Provisions.** Delete current law provisions that permit taxpayers to compute amortization or depreciation under the federal Internal Revenue Code in effect for the tax year for which the return is filed and provide that federal amortization and depreciation provisions could be adopted for state tax purposes only after action by the Legislature.

[Change to Bill: \$134,168,700 GPR, \$200,000,000 GPR-REV, -\$200,000,000 GPR-Lapse, \$2,960,000 FED and \$2,960,000 PR]

**To:** Grant, Peter  
**Cc:** Loppnow, Dave  
**Subject:** JFC activity for WTCS

Peter,  
I forgot to include the following actions regarding WTCS (all related to the big motion #344):  
Yank Section 9248(19) related to funding reduction of \$5,328,700 in 20.292(1)(d)  
Yank Bill sections 95, 96, 97 and 233 related to mill rate and levy limit changes (restore current law).  
Yank Bill section 9148(1) related to 10% tuition cap for WTCS  
Yank Bill sections 26 (as it relates to s.20.292(1)(eq)), 35, 98 and 100--this deletes the provisions related to the educational assistance for dislocated workers proposal.

I'll fax you the relevant sections of the motions.
