Gordon -

Rick Olin from our office sent over a copy of the omnibus motion that affects shared revenue and Milwaukee Child Welfare's contribution, among other things, to the LRB. I just wanted to make sure that Sections 5-9 and 9423 of LRB 4462/4 (Section 105-109 and 9423(1) of the engrossed bill) are deleted in accordance with that motion and JFC's actions.

Thanks,
Yvonne

and municipality's payment in November, 2002, to be made from the permanent endowment fund as follows:

(available endowment funds, as determined by DOA) ÷ \$826,068,930

7. Reduce individual appropriations in 2002-03 as follows to reflect the estimated impact of the use of \$594,000,000 in permanent endowment funds in that year:

Small municipalities shared revenue	-\$6,790,500
Shared revenue account	-574,391,600
County mandate relief	<u>-12,817,900</u>
 TOTAL	 -\$594,000,000

8. Maintain current law regarding Milwaukee County's contribution for child welfare services, which includes a deduction of \$20,101,300 annually from shared revenue payments.

B. County and Municipal Operating Levy Limit. Modify the Governor's recommendation as follows:

1. Change the definition of "inflation" to mean a percentage equal to the average, annual percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, as determined by the U.S. Department of Labor, for the 12 months ending on September 30 of the year of the levy. Modify the date by which DOR would notify political subdivisions from August 15 to November 1. [This is the same measure used for the expenditure restraint program.]

2. Replace the municipal adjustment to the inflation measure based on population with an adjustment set at a percentage equal to 60% of the percentage change in the jurisdiction's equalized value due to new construction, less improvements removed, between the year before the year of the levy and the previous year, but not less than 0% nor greater than 2%. [This is the same measure used for the expenditure restraint program.]

3. Authorize an adjustment to the allowable increase calculated for each county and municipality equal to 50% of the difference between the prior year's allowable and adopted levy.

C. Debt Service Payment from the Permanent Endowment Fund. Delete the Governor's recommendations that would authorize the payment of debt service from the permanent endowment fund, which is estimated at \$200,000,000. Instead, increase the Act 16 transfer from the permanent endowment fund to the general fund in 2001-02 by \$200,000,000, from \$450,000,000 to \$650,000,000.

D. Wisconsin Technical College System. Delete the proposed educational assistance for dislocated workers program and the related funding of \$4,200,000 GPR in 2002-03. Increase funding for WTCS general aid by \$5,328,700 GPR in 2002-03, which would restore the funding reduction proposed by the Governor. Delete the proposed mill rate and levy limit changes in the bill,

2001

Subject: change on 2332/1

Gordon -

Looking at 2332/1, I think section 1 should delete lines 1 to 14, not 4 as indicated in the draft.

Thanks,
Yvonne
