HISTORICAL SOCIETY

Appropriation Consolidation

Motion:

Move to consolidate the Historical Society's two GPR general program operations appropriations (general program operations and general program operations; historic sites and museum services). Include the necessary statutory and funding modifications to accommodate the consolidation.

*Effective
July 1 2002-03
per CJ email*

Note:

2001 Act 16 (the 2001-03 budget) consolidated the Society's 59 appropriations into 15 appropriations. The Society currently has two GPR general program operations appropriations - one for historic sites and museum services and one for all other general operations.

This motion would eliminate the separate GPR general program operations appropriation for historic sites and museum services, transfer the funding and position authority to the remaining general program operations appropriation, and make the necessary statutory changes.
