WORKING GROUP

Hunter Safety Reimbursement and Fishing Season Date Change

Authorize DNR to provide up to \$5 per student enrolled in a hunter safety course to the instructors of the course for allowable costs, as determined by DNR. Specify that if the expenses incurred by the instructor are either not authorized by DNR or do not exceed the funds provided by DNR, the instructor shall return all unused funds or unauthorized amounts to DNR with the course roster upon completion of the course. Under current law, DNR may reimburse instructors for allowable costs up to \$5 per student.

In addition, require DNR to set the closing date of the Wisconsin fishing season to fall on a Sunday. Further, require shanty removal dates determined by DNR to also fall on a Sunday.
