Subject: ARC adopted provisions

They've passed 10 items so far.

1. Eliminate a current law requirement that DOT get approval of the Joint Committee on Finance prior to using bond proceeds for passenger rail improvements between Milwaukee and Green Bay or Milwaukee and Madison or for passenger rail station improvements and, instead, prohibit DOT from using these bond proceeds unless the project is enumerated in the statutes. Prohibit DOT, beginning on January 1, 2003, from spending any funds on passenger rail route development if the anticipated expenditures for the project exceed 20% of the total cost of the project, but specify that this restriction does not apply to expenditures on activities that DOT would have to conduct in order to become eligible for federal participation on a passenger rail project.

2. AB 732 without the bonding authorization. The only thing is the provision requiring TEA projects to be awarded on an ongoing basis.

- 
3. Direct the Department of Transportation to modify the Department's administrative rule related to the regulation of outdoor advertising to specify that no initial or annual permit fees may be charged for off premises signs that are owned by nonprofit organizations.

4. AB 868

5. Assembly Amendment 1 to AB 593, minus the \$200,000 in 2001-02. In other words, provide the money only in 2002-03.

6. Require DOT to issue license plates for motorcycles that are four inches by seven inches in size and specify that the plates must have black lettering on a white background, beginning on the first day of the ninth month beginning after the effective date of the bill. Delete a provision, effective on the general effective date of the bill, that requires motorcycle veterans plates to be four inches by seven inches in size and, instead require such plates to be four inches by seven inches in size beginning on the first day of the ninth month beginning after the effective date of the bill.

7. SB 464

8. Prohibit DOT from constructing any rest area along or in close proximity with a state trunk highway at a location that is within a radius of five miles from an exit from the highway that provides access to motorist services, as defined for the purposes of the specific information sign program, first applying to construction of rest areas commenced on the effective date of the bill. Specify that this restriction does not apply to rest areas to be located within five miles of
