WORKING GROUP

Mandate Relief

*Fred Ammann
- Rick Olson
In*

Modify the Governor's recommendation to allow local governments to request waivers from state mandates and to authorize state agencies to grant waivers from those mandates as follows. Require the Secretary of DOR or the head of the administrative agency assigned the review of the mandate to either grant the request, grant the request in part, or deny the request within 60 days of its receipt by DOR. Specify that the decision of the Secretary or the other agency head be based on at least one of the following criteria: (1) compliance with the mandate would cause undue economic hardship to the political subdivision; (2) compliance with the mandate is not economically efficient; or (3) the mandate is not applicable to the political subdivision other than imposing reporting requirements. Create a Joint Committee on Mandates in the Legislature consisting of five senators and five representatives to the assembly appointed as are the members of standing committees in their respective houses from the majority and minority political parties in each house. Specify that in making the appointments, each house shall designate a cochairperson. Provide that the committee shall meet at the call of one of its cochairpersons. Require the DOR Secretary or the head of the administrative agency reviewing the mandate to notify the Committee if the Secretary or the other agency head grants a request for relief, either in whole or in part. Provide that the Committee has 30 days to approve or reject the administrative agency's action, but authorize the Committee to extend the review period by an additional 30 days, but no more. Provide that the relief request is approved if the Committee fails to meet or meets and takes no action. Modify the Governor's recommendation regarding notification of the political subdivision to delay the notice until after the Committee's action.

PG

Repeal the requirement that all library programs and materials be provided to the public free of charge.

Require all state agencies to accept reports from local governments in electronic form. Require the Department of Electronic Government to establish standards for the reports' submission.

Repeal the requirement that counties must print and stock all state mandated forms used in the courts and other departments on multi-part carbonless stock. Allow local governments to receive all state forms via e-mail and then print them off on regular paper as needed.

Change the date by which county governments must file annual financial reports with the state from May 15th of each year to June 30th of each year.

~~Change the date by which counties must file their Wisconsin Retirement Annual Report for employees from January 31st of each year to February 28th.~~

Modify the requirement that all municipalities contract with the State Laboratory of Hygiene for the testing of their water treatment plant to allow testing by other certified laboratories.

and private parties
