**Working Group Recommendation:** Delete expenditure authority of \$1,093,700 PR and 11.0 PR positions and eliminate the Office of Organizational Management in the Department of Workforce Development (DWD). The Office is responsible for designing, implementing and monitoring management systems and assisting and supporting the Department's divisions in implementing the systems. The Office is supported by fees charged to the Department's programs for services provided. This provision would eliminate the Office's staff and expenditure authority to charge the programs for the Office's services.

[Change to Joint Finance: -\$1,093,700 PR, -11.0 PR positions]
