~~2001 BILL~~

1
2

~~AN ACT to amend 110.20 (6) (a) 1. and 110.20 (6) (a) 3. of the statutes; relating to: motor vehicle emission inspections.~~

~~*Analysis by the Legislative Reference Bureau*~~

~~Current law requires the department of transportation (DOT) to conduct a motor vehicle emission inspection program in counties in which the air quality does not meet certain federal standards. Under the program, most motor vehicles that are subject to emission limitations established by the department of natural resources (DNR) must undergo emission inspections during the second year following the vehicle's model year and every two years thereafter.~~

~~This bill changes the time period before a qualifying vehicle must undergo an initial emission inspection, extending it from the second year after the vehicle's model year to the fourth year after the vehicle's model year. This change applies to motor vehicles of a model year of 2003 or later.~~

~~For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.~~

~~*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*~~
