Steve -

Thanks for your assistance. To get the process started, following are three amendments Rep. Black would like drafted to the Republican amendment to the Special Session budget bill.

- Restore the Wage Lien language as approved by the Joint Committee on Finance
- Restore the Stewardship Bonding cut made by the republicans, to the level it was before their caucus
- Tying student financial aid to tuition, specifically the language contain in Rep. Black's bill AB 194

LRBb 2494

I will have another amendment coming, I am awaiting information to submit that to you. The Black office will be having more instructions on amendments coming as well.
