AN ACT to repeal 59.17 (1) (a); and to renumber and amend 59.17 (1) (b) of the statutes; relating to: the office of county executive in populous counties.

Analysis by the Legislative Reference Bureau

Current law requires that a county executive be elected in counties with a population of at least 500,000 (currently, only Milwaukee County). In other counties, the county board may create the office of county executive. The office may also be created or abolished by petition and referendum.

This bill eliminates the requirement that a county executive be elected in Milwaukee County. The bill provides that any county may, by resolution of the board or by petition and referendum, create the office of county executive. In addition, the office may be abolished by petition and referendum.

The board may, ~~by a two-thirds vote of all of its members and~~ not more frequently than once every 4 years, decrease the number of supervisors ~~after the enactment of~~ ^{at any time} a supervisory district plan under par.
