3 **"SECTION 150md.** 59.10 (2) (d) of the statutes is created to read:
4 59.10 (2) (d) *Changes during decade.* 1. 'Number of supervisors; redistricting.'
5 The board may, not more frequently than once every 4 years, decrease the number
6 of supervisors at any time after the enactment of a supervisory district plan under
7 par. (a). In that case, the board shall redistrict, readjust, and change the boundaries
8 of supervisory districts, so that the number of districts equals the number of
9 supervisors, the districts are substantially equal in population according to the most
10 recent countywide federal census, the districts are in as compact a form as possible,
11 and the districts consist of contiguous whole wards in existence at the time at which
12 the redistricting plan is adopted. The standards in sub. (3) (b) 2. and 3. with regard

1 to contiguity apply under this subdivision. The board shall, to the extent possible,
2 place whole contiguous municipalities or contiguous parts of the same municipality
3 within the same district. In redistricting under this subdivision, the original
4 numbers of the districts in their geographic outlines, to the extent possible, shall be
5 retained. The chairperson of the board shall file a certified copy of any redistricting
6 plan adopted under this subdivision with the secretary of state.

7 2. 'Election; term.' Except as otherwise provided in this subdivision, any
8 redistricting plan enacted under subd. 1. that becomes effective before November 15
9 preceding the expiration of the term of office of supervisors in the county first applies
10 to the spring election following the plan's effective date; otherwise, the plan first
11 applies to the 2nd succeeding spring election following the plan's effective date at
12 which supervisors are regularly elected in the county. Any redistricting plan enacted
13 under subd. 1. shall remain in effect until a subsequent redistricting plan enacted
14 under subd. 1. takes effect, except that any redistricting plan enacted under subd.
15 1. is void beginning on the effective date of a redistricting plan subsequently enacted
16 under par. (a). Supervisors elected from the districts created under subd. 1. shall be
17 elected for 4-year terms and shall take office on the 3rd Monday in April following
