Subject: Rep. Carpenter Budget Amendments

Dear LRB Legal:

Rep. Tim Carpenter would like the following amendments drafted to the Budget Bill being taken up by the Assembly on Thursday. Any questions, please feel free to give me a call.

Thank you,

Rex Loehe
Legislative Assistant
Office of Rep. Tim Carpenter
266-1707

1. Cut additional perks for the speaker (pension multiplier- I believe only Jensen gets it) and other legislative leadership for no additional free office mailings other than the 13,000 we all get, and limit staff to three people).
2. 3 year freeze on state paid junkets.
3. No payment of legal fees for elected official relating to the caucus investigations - made retroactive.
4. 15% cut in per diem reimbursements, and office accounts for Legislature for next session.
5. 15% cut in salary for Governor, Governor's agency/departments heads, constitutional officers (Lt. Gov., Tres., Sec State, etc.), and Legislature next session.
6. Per diem amount reduced by 50% for those Legislators earning outside income (non-full time legislators).
7. Prohibit the use of state funds for minting coins for the Governor's office and all other elected officials.
8. Require a legislative council study on reforming and overhauling the state budget process and requirement for Legislative approval or rejection by Sept 10th, 2002. or the measure will be automatically placed on the Nov. 5th election as a binding referendum.
9. Require a legislative council study on reforming and overhauling the Legislature (campaign finance and legislative process reform) and requirement for Legislative approval or rejection by Sept. 10th 2002 or the measure will be automatically placed on the Nov. 5th election as a binding referendum.
10. Reduce the size of the State Assembly to 66 members.
11. Require audit of DOT to ascertain costs and benefits to the state (compared to other states, WI has high gas tax, is state getting better roads and services for those higher taxes?)

Any questions let the drafters have discretion in filling in details if necessary. These are for the floor Thursday.

nonstat " (1) ^d AUDIT OF THE DEPARTMENT OF TRANSPORTATION. ^(CS)

(NO) The joint legislative audit committee is requested to, and may, direct the legislative audit bureau to perform a financial, management, and performance evaluation audit of the operations and administration of the department of transportation. If the audit is undertaken, the legislative audit bureau shall determine the costs and benefits of the operations and administration of the department of transportation, including a review of its operations and administration relative to the operations and administration of appropriate departments or agencies in other states having transportation-related responsibilities. If the joint legislative audit committee directs the legislative audit bureau to perform an audit, the bureau shall file its report as described under section 13.94(1)(b) of the statutes by March 31, 2003.
