

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBb2544/1dn
RLR:jld:pg

March 13, 2002

Judy Frydenlund:

This amendment makes the crime of posting a computerized message that invites harassment a Class I felony. In 2001 AB-531, the crime is a Class E felony. This change reconciles AB-531 with the provisions in ASA 1 to AB-1 that reclassify felony penalties in accordance with recommendations made by the Criminal Penalties Study Committee.
