2. This amendment further reduces the general program operations appropriation to the department of commerce for economic and community development (i. e., s. 20.143 (1) (a)) by \$39,000 in the second fiscal year of this biennium. The amendment does not reduce any department of commerce appropriations in the first fiscal year, and it does not further reduce the general program operations appropriation for executive and administrative services (i.e., s. 20.143 (4) (a)).

Becky,

Apparently there may be some confusion about our intentions on CN 5509 (Irb 2848), and whether or not we wanted to include a State Fair Park direct lapse of PR to GPR. Everything I've heard so far is that this is to be included.

David Schug thought there might have been conflicting instructions or problems, please let me know if this is the case.

Thanks,

Andy Engel

Pam,

If you get redraft instructions for LRB 2848/1, the 0.5% lapse amount from State Fair Park would be \$68,000 in 2002-03. I am not certain whether or not the Caucus wants to include this PR lapse, but if so, thought you should have the number.
