2002 Budget Adjustment Amendment

TWO YEAR MORITORIUM ON OPEN ENROLLEMENT ON-LINE CHARTER SCHOOLS

Currently two school districts are already considering on-line charter schools via the State's Open Enrollment laws. This means that \$5000 of open enrollment money will follow that student from their school district of origin to one of the two on-line charter districts. We believe this raises several questions that need to be addressed. This motion would place a two-year moratorium on the ability of districts to create a charter school for the purpose of offering on-line K-12 classes.

2001 ASSEMBLY BILL 893

March 7, 2002 - Introduced by Representatives J. LEHMAN, TURNER and PLOUFF, cosponsored by Senators GROBSCHMIDT, COWLES and SCHULTZ. Referred to Committee on Education Reform.

1 AN ACT to amend 118.51 (10) of the statutes; relating to: the assignment of
2 pupils to schools or programs under the open enrollment program.

Analysis by the Legislative Reference Bureau

Under the current open enrollment program, under certain conditions a pupil may attend public school in a school district other than the one in which the pupil resides. The school board of the nonresident school district assigns a pupil who has been accepted under the program to a school or program within the nonresident school district.

This bill prohibits the school board from assigning a pupil to a school or program in which the pupil will receive less than 50% of his or her instruction from a licensed teacher who is present in the same room as the pupil.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION ^{284 K} 118.51 (10) of the statutes is amended to read:

4 118.51 (10) PUPIL ASSIGNMENT. A nonresident school board may assign pupils
5 accepted to attend public school in the school district under this section to a school
6 or program within the school district, except that a nonresident school board may not

until July 1, 2004,

ASSEMBLY BILL 893

SECTION 1

1 assign a pupil to a school or program in which the pupil will receive less than 50%
2 of his or her instruction from a licensed teacher who is present in the same room as
3 the pupil. The school board may give preference in attendance at a school, program,
4 class or grade to residents of the school district who live outside the school's
5 attendance area.)
