# DELETE MOTION

DEPARTMENT OF NATURAL RESOURCES

Wisconsin Humane Society Rehabilitation Center

CN

4610

Motion:

Move to require DNR to provide \$500,000 from the Warren Knowles-Gaylord Nelson Stewardship 2000 program to the Wisconsin Humane Society in Milwaukee for the development of an outdoor wildlife rehabilitation center. Specify that funds may be provided from either the land acquisition or the property development and local assistance subprogram.

Note:

Under current law, \$46 million in general obligation bonding authority is available in 2001-02 under the Warren Knowles-Gaylord Nelson Stewardship 2000 program. Under the stewardship biennial spending plan approved by the Natural Resources Board, \$7.25 million of the \$34.5 million for general land acquisition would be earmarked for grants to non-profit conservation organizations, leaving \$19 million available for DNR land acquisition (after \$8.3 million is set aside to account for the \$25 million Great Addition purchase in 1999). Of the 11.5 million available for property development and local assistance, \$4.5 million would be allocated for property development, and \$7 million for local assistance grants. In 2002-03, \$60 million in general obligation bonding authority will be available.

The wildlife rehabilitation center represents a portion of a larger relocation and expansion plan for the Wisconsin Humane Society of Milwaukee (estimated at \$8.5 million). The remaining \$8 million in estimated project costs for building expansion and relocation would be funded through private donations. The \$500,000 would be used to develop a suitable site for wildlife rehabilitation purposes.
