I required the department of commerce to submit a report, by December 31, 2003, on the study and proposal for a brand image. Do you want any changes to this requirement? If Forward Wisconsin, Inc., is not going to conduct the study but enter into a contract for a study, Forward Wisconsin, Inc., seems to be acting merely as a conduit. Since the funds are coming from the department of commerce, why not have the department enter into the contract for a study? Or did you intend that the department of commerce would contract with Forward Wisconsin, Inc., to conduct the study?
