This amendment is LRBb2945/1 with the Biostar provisions removed. Since the conference committee has agreed on the Forward Wisconsin grant but has not agreed on the Biostar provisions yet, I wanted to separate the two topics so that I would not have to keep track of what the committee does with Biostar. Rick Champagne will be drafting those provisions (which may be the same as in LRBb2945/1) in another new amendment unless, of course, the committee leaves those changes out entirely.
