- 1 **AN ACT to amend 347.48 (2m) (gm) and 347.50 (2m) (a) of the statutes; relating**  
2 **to: enforcement of motor vehicle safety belt violations and providing a penalty.**

### *Analysis by the Legislative Reference Bureau*

This state requires the use of safety belts in certain motor vehicles. Under current law, with specific exceptions, no person may drive a motor vehicle unless he or she is properly restrained by a safety belt and unless he or she reasonably believes that each passenger between the ages of four and fifteen years old is properly restrained by a safety belt. No person who is at least four years old may be a passenger in the front seat of a motor vehicle unless that person is properly restrained by a safety belt. Current law prohibits a law enforcement officer from stopping or inspecting a motor vehicle solely to determine compliance with safety belt use requirements. The officer may, however, issue a citation for a violation observed in the course of a stop or inspection made for other purposes. A law enforcement officer may not take a person into physical custody solely for a violation of those requirements.

This bill authorizes a law enforcement officer to stop or inspect a vehicle solely to determine compliance with safety belt use requirements, if the officer has probable cause to believe that a violation has occurred. For the first six months after the effective date, if the law enforcement officer stops or inspects a vehicle solely to determine compliance with safety belt requirements and observes a violation, the officer may issue a warning, but not a citation, for the violation.

The bill also increases the penalty for violating this state's laws requiring the use of safety belts from \$10 to \$25 for a first offense and to not less than \$50 nor more

than \$75 for the second and each later offense committed within three years. As under current law, violators pay no additional costs, fees, or assessments.
