1 **AN ACT to create** 20.255 (2) (bs) and 115.445 of the statutes; **relating to:**
2 authorizing the state superintendent of public instruction to award grants for
3 family involvement in education projects and making appropriations.

Analysis by the Legislative Reference Bureau

This bill authorizes the state superintendent of public instruction to award a grant to a school board, private school, public library system board, municipal library board, county library board, community-based organization, board of control of a cooperative educational service agency or consortium of regional staff development organizations representing school districts for a family involvement in education project. The project may teach parenting skills to parents of children in preschool programs and early elementary grades, establish a family resource center, or develop and implement a plan to increase family involvement in education.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SENATE BILL 72

1 3. A family resource center that does any of the following: distributes parent
2 education materials, provides respite child care, conducts workshops on child
3 development, facilitates communication between school personnel and parents of
4 pupils enrolled in the school, or provides volunteer opportunities for parents within
5 the school.

6 (b) The state superintendent shall review the applications and determine
7 which of the projects eligible for funding will receive grants.

8 **(2)** Projects shall be funded on an annual basis and may be funded for a period
9 of not more than 2 years. No project may be funded unless the state superintendent
10 determines that all of the following conditions have been met:

11 (a) An award will not supplant funds otherwise available for the project.

12 (b) The application describes the method that will be used to evaluate the
13 effectiveness of the project and the method that will be used to involve parents in the
14 development of the project.

15 (c) There is a local commitment to maintain the project beyond the grant period,
16 if the state superintendent determines that such a commitment is appropriate.

17 (d) The applicant authorizes the state superintendent to disseminate
18 information about the results of the project.

19 (e) There is a matching fund contribution from the grant recipient of at least
20 20% of the cost of the project. Private funds and in-kind contributions may be used
21 to meet the requirement of this paragraph.

22 (f) The grant recipient will coordinate the project with agencies providing
23 similar services in the area.

24 (g) All parents in the school district may participate in the project.

25 (h) The grant funds will not be used for a sectarian purpose.
