Senator Risser:

This amendment raises two issues with regard to the First Amendment. These issues involve the reporting of certain independent expenditures and disbursements and the provision of supplemental grants which are triggered by these expenditures and disbursements. Please see the drafter's note to SB-137, the bill on which this amendment is based, for a more complete discussion of these issues. Also, please note that these issues also currently exist in SSA-1 to SB-104.
