Subject Allow waiver of the fee for filing a will in probate court		

Assumptions Used in Arriving at Fiscal Estimate

This bill permits the register in probate to waive the \$10 fee for depositing a will for safekeeping for good cause shown. It also permits a person to petition the probate court to waive the fee if the register in probate declines to do so.

The revenue from this fee is retained entirely by the county. It is impossible to predict how many people will request to have this fee waived or how many will petition the court if their request is denied. Accordingly it is impossible to predict the amount of revenue that would be lost or the additional number of court hearings that will be required.
