1 AN ACT to renumber and amend 40.22 (2) (g); and to create 20.285 (1) (ag) and
2 40.22 (2) (g) 2. of the statutes; relating to: participation in the Wisconsin
3 retirement system for teaching assistants and project assistants employed by
4 the University of Wisconsin System and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, with some exceptions, any state employee or an employee of a participating employer in the Wisconsin retirement system (WRS) is eligible to participate in the WRS if the employee is expected to work at least one-third of what is considered full-time employment and the employee's expected duration of employment is at least one year. Currently, however, teaching assistants, project assistants, and students who are employees in training at the University of Wisconsin System and the University of Wisconsin Hospitals and Clinics Authority and students appointed by a school or other education system in which the person is regularly enrolled as a student and is attending classes to perform services incidental to the person's course of study at that school or education system are prohibited from participating in the WRS. This bill eliminates this prohibition with respect to teaching assistants and project assistants at the University of Wisconsin System.

This bill will be referred to the joint survey committee on retirement systems for a detailed analysis, which will be printed as an appendix to this bill.

LRB-1747/1

from last session

In this draft, per your request, I have created a GPR appropriation to the UW System to pay the retirement contributions for the teaching and research assistants; however, I will need to know the dollar amounts to place in the ch. 20 schedule. Also, I did not amend s. 40.22 (2) (b), which requires that participating employees in the WRS have an expected duration of employment of at least one year. If the contracts for the teaching and research assistants provide for an employment period of less than one year, then I will need to amend s. 40.22 (2) (b). Please advise.
