Hi Debora,

Senator Robson would like an amendment to Senate Bill 231. We're going to exec on this bill on Wednesday, January 23. I've attached suggested language based on her suggestions.

Basically, she would like the amendment to specify the importance of ensuring quality care and services to the developmentally disabled, and to make the language of #3 (page 3, lines 1-3) more neutral. In addition, I've added more unions to the list of recommended task force representatives (page 3, lines 16-17). She may want to name a union specifically, but for now I've included a more general reference. David will return to the office on Tuesday, so we may not know until then how specific this reference should be.

I hope this helps. Please call with any questions--thank you!
