

Fiscal Estimate Narratives

DWD 10/11/01

LRB Number 01-3763/1	Introduction Number SB-268	Estimate Type Original
Subject Public inspection of payroll records of contractors performing on projects that are subject to the prevailing wage law		

Assumptions Used in Arriving at Fiscal Estimate

DWD would not be involved in the publication of this reporting requirement nor responsible for ensuring contractors' compliance with the provisions of this bill. Consequently DWD anticipates incurring no costs with the passage of this legislation.

Giving the public the right to inspect subcontractor time and payroll records for work on public works projects will have no effect upon DWD's investigation and resolution of prevailing wage complaints.

Passage of this bill will not impose any direct cost to local or state government.

Any additional costs to contractors as a result of passage of this bill that may be passed on to government entities through higher bids on public works projects are estimated to be negligible.

Long-Range Fiscal Implications

None.
