

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4250/3dn
RJM:rs&jld:ch

December 26, 2001

Senator Cowles:

Attached is the draft you requested regarding standards for lighting construction. Please review the draft to ensure that it is consistent with your intent. In particular, please review the language of proposed s. 101.026, which I adjusted slightly to more precisely reflect my understanding of your intent. Among other things, this provision refers to the Illuminating Engineering Society of North America, rather than the illumination engineering society.

Please let me know if I have misunderstood your intent or if you desire any additional changes to the draft.

Robert J. Marchant
Legislative Attorney
