

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4724/2dn
DAK:cjs:pg

February 19, 2002

To Debra Sybell:

This redraft incorporates the first four of Rachel Carabell's suggested changes, as specified in your e-mail of February 12, but does not incorporate the fifth suggested change, in light of Russ Pederson's response from DHFS.

I would appreciate it if you would ask Rachel to review this redraft.

Thank you.
