17 **20.9145 Sale of residual state property.** (1) In this section, “residual state
18 property” means vacant state-owned land, together with any improvements
19 thereon, that are not utilized under any statutory program, or any plan or proposal
20 of a state agency.

21 (2) No later than the end of the 2-year period beginning on the effective date
22 of this subsection [revisor inserts date], each state agency that has jurisdiction
23 over residual state property shall solicit bids for the sale of the property.

1 (3) A state agency selling residual state property under sub. (2) shall sell the
2 property to the highest responsible bidder, if any, who offers to pay at least the fair
3 market value of the property.

4 (4) No later than September 1 annually, each state agency that sold a parcel
5 of residual state property in the preceding fiscal year shall file a report with the
6 cochairpersons of the joint committee on finance specifying the location and size of
7 the parcel, the date sold, the estimated fair market value, the sale price and the
8 allocation of the proceeds of the sale.

9 (5) This section does not apply to residual state property that is leased to a
10 person other than a state agency on the effective date of this subsection ... [revisor
11 inserts date], if the lease contains terms that preclude sale of the property during the
12 term of the lease, until the lease expires or the lease is modified, renewed, or
13 extended, whichever first occurs.

14 **SECTION 983mn.** 20.9145 of the statutes, as created by 2001 Wisconsin Act ...
15 (this act), is repealed.

16 **SECTION 984.** 20.916 (8) (a) of the statutes is amended to read:

18 **SECTION 1031.** 22.09 of the statutes is created to read:

19 **22.09 Powers of the chief information officer.** The chief information
20 officer may:

21 (1) Establish and collect assessments and charges for all authorized services
22 provided by the department, subject to applicable agreements under sub. (2).

23 (2) Subject to s. 22.05 (2) (b), enter into and enforce an agreement with any
24 agency, any authority, any unit of the federal government, any local governmental
25 unit, or any entity in the private sector to provide services authorized to be provided

1 by the department to that agency, authority, unit, or entity at a cost specified in the
2 agreement.

3 (3) Develop or operate and maintain any system or device facilitating Internet
4 or telephone access to information about programs of agencies, authorities, local
5 governmental units, or entities in the private sector, or otherwise permitting the
6 transaction of business by agencies, authorities, local governmental units, or entities
7 in the private sector by means of electronic communication. The chief information
8 officer may assess executive branch agencies, other than the board of regents of the
9 University of Wisconsin System, for the costs of systems or devices that are
10 developed, operated, or maintained under this subsection in accordance with a
11 methodology determined by the officer. The chief information officer may also charge
12 any agency, authority, local governmental unit, or entity in the private sector for such
13 costs as a component of any services provided by the department to that agency,
14 authority, local governmental unit, or entity.

15 (5) Review and approve, approve with modifications, or disapprove any
16 proposed contract for the purchase of materials, supplies, equipment, or contractual
17 services relating to information technology or telecommunications by an executive

20 **SECTION 1032.** 22.13 of the statutes is created to read:

21 **22.13 Strategic plans for executive branch agencies.** (1) As a part of each
22 proposed strategic plan submitted under s. 22.03 (2) (L), the department shall
23 require each executive branch agency to address the business needs of the agency
24 and to identify all proposed information technology development projects that serve
25 those business needs, the priority for undertaking such projects, and the justification

1 for each project, including the anticipated benefits of the project. Each proposed plan
2 shall identify any changes in the functioning of the agency under the plan. In each
3 even-numbered year, the plan shall include identification of any information
4 technology development project that the agency plans to include in its biennial
5 budget request under s. 16.42 (1).

6 (2) Each proposed strategic plan shall separately identify the initiatives that
7 the executive branch agency plans to undertake from resources available to the
8 agency at the time that the plan is submitted and initiatives that the agency proposes
9 to undertake that would require additional resources.

10 (3) Following receipt of a proposed strategic plan from an executive branch
11 agency, the chief information officer shall, before June 1, notify the agency of any
12 concerns that the officer may have regarding the plan and provide the agency with
13 his or her recommendations regarding the proposed plan. The chief information
14 officer may also submit any concerns or recommendations regarding any proposed
15 plan to the board for its consideration. The board shall then consider the proposed
16 plan and provide the chief information officer with its recommendations regarding
17 the plan. The executive branch agency may submit modifications to its proposed
18 plan in response to any recommendations.

19 (4) Before June 15, the chief information officer shall consider any
20 recommendations provided by the board under sub. (3) and shall then approve or
21 disapprove the proposed plan in whole or in part.

22 (5) No executive branch agency, other than the board of regents of the
23 University of Wisconsin System, may implement a new or revised information
24 technology development project authorized under a strategic plan until the

1 implementation is approved by the chief information officer in accordance with
2 procedures prescribed by the officer.

3 (6) The department shall consult with the joint committee on information
4 policy and technology in providing guidance for planning by executive branch
5 agencies.

6 **SECTION 1033.** 22.15 of the statutes is created to read:

7 **22.15 Information technology portfolio management.** With the
8 assistance of executive branch agencies and the advice of the board, the department
9 shall manage the information technology portfolio of state government in accordance
10 with a management structure that includes all of the following:

11 (1) Criteria for selection of information technology assets to be managed.

12 (2) Methods for monitoring and controlling information technology
13 development projects and assets.

14 (3) Methods to evaluate the progress of information technology development
15 projects and the effectiveness of information technology systems, including
16 performance measurements for the information technology portfolio.

17 **SECTION 1034.** 22.17 of the statutes is created to read:

18 **22.17 Information technology management board.** (1) The board shall
19 provide the chief information officer with its recommendations concerning any
20 elements of the strategic plan of an executive branch agency that are referred to the
21 board under s. 22.13 (3).

22 (2) The board may advise the chief information officer with respect to
23 management of the information technology portfolio of state government under s.
24 22.15.
