Subject: CCC on missing percent sign in budget

Hi Peter. Cathlene left me a somewhat cryptic voicemail message that said "it is okay to do a CCC on the missing percent sign," (in one of the sections in the budget bill) even though the budget CCCs were already completed. Cathlene said that you would know the page/line number of the missing percent sign in question. Her message also said that, when you bring the CCC into editing, please let KMG know that Cathlene has approved this chief clerk's correction. If you have any questions regarding this, I'll try to answer them (otherwise, Cathlene will be back in the office tomorrow). Thanks!  
Joy

The Bill has  
already been  
reported correctly  
enrolled - see  
the bill history.
